

VOLUNTEER APPLICATION

EAGLE
LifeChurch

Dear Volunteer,

Our mission at Eagle LifeChurch is to “Help People Experience Jesus in a Life-Changing Way.”

Our mission includes helping you become part of the community through serving God with your unique Kingdom purpose. This application is designed to help us find the best fit for you, so you can help others experience Jesus, too. When you discover your unique contribution to the purpose of God it helps you thrive in every part of life.

Some of the questions included may not pertain to you or your interest in serving. However, this application is used to assist us in processing every volunteer at the church. Rather than having you fill out a different application for every area of ministry, we have consolidated it all into one.

We believe that it is necessary to make every reasonable effort to protect the children, youth, and people of Eagle LifeChurch. Therefore, it is necessary for us to safeguard our community by thoroughly screening volunteers.

This process has been developed to keep you and our community safe.

Our goal is to help you grow in faith through serving. This isn't the only way to grow, but it is one important part of your Christian Discipleship. He has called each one of us to special role within His body. All of us working together accomplishes His purposes.

We believe that you are like-minded. We believe that you want to grow and help others experience Jesus. We believe that you want Eagle LifeChurch to be a safe and secure environment for everyone in our community.

Cheering for you,

Pastor Brad Murphy
